

Estimate Example Sketch

A simple sketch is sufficient for us to give you an accurate estimate (see example below)

Just draw out your required surfaces, indicate the lengths, and mark the polished facing edges with a cross.

Then use a circle to indicate any upstads, and 'i' or a 'u' to indicated type of sink fitting and simply fax, post or email to us.

KEY

X - Polished Seen Edge

i - Inset Sink

u - Under-mount Sink

o - Upstands
